Foundry BC

Government Announces Launch of Foundry BC App Last Friday, the Province of BC announced the launch of the Foundry BC app, which offers young people aged 12 to 24 and their caregivers access to integrated health and wellness services. Visit the Foundry Virtual BC web page (<https://foundrybc.ca/virtual>) to download the app or to access the web portal online.

Scholarship

New Scholarships

I am continuing to post scholarships on the Grad Moodle so remind your grad to check in with the Moodle if they are interested.

Grad

Grad Ceremony

We are pleased to announce that we will be able to have a graduation ceremony this year, but it is going to look a little bit different than it has in the past (just like so many things this year!).

Save the Date! Wednesday June 23rd starting at 6:30 pm at the Chief Sepsass Theatre in Fort Langley. More details will follow very soon!

Grad Rehearsal

A critical element of making a grad ceremony successful and calming the nerves of the grads is a rehearsal. We will be holding a mandatory grad rehearsal to ensure that the grads are aware of what to do and can collect their gowns prior to the graduation day.

Save the Date! Monday June 21st starting at 4:30 pm at the Chief Sepsass Theatre in Fort Langley. More details will follow very soon including a fun activity afterwards so book off the full evening.

Baby Photo for Yearbook

Grad Parents! If you haven't sent me your child's baby photo, there is still time! Please send it to mstatham@sd35.bc.ca as soon as you can to be included into the yearbook.

Let's Talk Environmental Sustainability Date/Time: June 16, from 1:00pm to 3:00pm

Do you have students interested to learn how scientists are making plants more resistant to the effects of climate change? Are they curious about the fuss surrounding GMOs? Do they want to understand how the green revolution is making a more sustainable future? If the answer is yes to any of these questions, then come join the Let's Talk Environmental Sustainability Virtual Symposium hosted by Let's Talk Science UBC in partnership with PROTECT.

They have partnered with scientists from the Plant Response To Eliminate Critical Threats (PROTECT) program, who will be leading the career panel, biology-inspired trivia game show, and take-home challenge. There will be opportunities for prizes to be won!
